Marc Clermont; the President and Founder of The Miracle Providers' NorthEast stated; " For over seventeen years we have been helping children and their families that are less fortunate than others have an unforgettable Christmas. We look forward to catching up with old friends and supporters that have been volunteering their time and talent for so long that we have actually seen their children grow up and now have the grandchildren joining the fun. This is what Christmas is all about to me and The Miracle Providers."

Christmas music will be playing and refreshments will be served. Whether you're a novice gift wrapper or a gift card stuffer, there is something for everyone to do to make a child's Christmas special. Wrappers, sorters, movers and entertainers are needed to make sure every gift is ready to go under the tree for over two hundred children from the New England area.
